Hiya, folks! Remember the Barr Wars? Well, they've been renamed the Bizarre Wars since Donna Barr retired. One of Donna's successors is Diana Harlan Stein, a cartoonist of no mean ability. My "war" with her grew out of another one: Mark "The Mole" Ashworth used my character, Savage Squirrel, wearing a Negaduck suit to zap Diana (Negaduck is a villain on the Disney TV cartoon show "Darkwing Duck".) Him & Diana seemed to be having so much fun with ol' Savage, that I wanted in on it. I was glad I did – Diana's fun! And now, you hold the results in your hot lil' hands, you lucky, lucky read, you! Don't violate our copyright, though, or I'll sneak into your room when you're asleep and drain all the liquid out of your skull, leaving your brain beached. But honest customers are encouraged to lean back and

DIANE ASKS (ABOUT HER ZAP TO ME) "SHOULDN'T THIS GO TO KJARTAN ARNÖRSSON?" NO DOUBT, BECAUSE OF THE USE OF MEGA-SQUIRREL. IN BIZARRE WARS, THERE ISN'T ANY FORMAL RULE AGAINST THE USE OF OTHER WARRIOR'S CHARACTERS. THE INFORMAL RULES ARE HANDED DOWN FROM BARR WARS: FIRST, DON'T ABUSE THE CHARACTER TOO BADLY; SECOND, KEEP THE CREATOR OF THE CHARACTER INFORMED AS TO WHAT'S HAPPENING. IF KARNO COMPLAINS OR ASKS ME TO STOP, I WILL. MAYBE.

EVEN AS THE HERO "SAVAGE SQUIRREL," HE WAS ROUGH, TOUGH, LEWD, HAD AN OIL TANKER'S WORTH OF GALL, A LOVE OF GRATUITOUS VIOLENCE, AND AN EGO THE SIZE OF THE GREAT OUTDOORS. JUST ASK HIS CREATOR TO VERIFY. NOW THAT HE'S A VILLIAN, DON'T EXPECT ^{HIM} TO LEAVE THREATS UNCHALLENGED!

HEH... MOLE'N'DIANA... YOU SEEM
TO BE HAVING FUN WITH MEGA-
SQUIRREL, SO I WON'T INTERFERE

... ON
ONE
CONDITION:

... THAT
I GET COPIES
OF ALL ZAPS!!

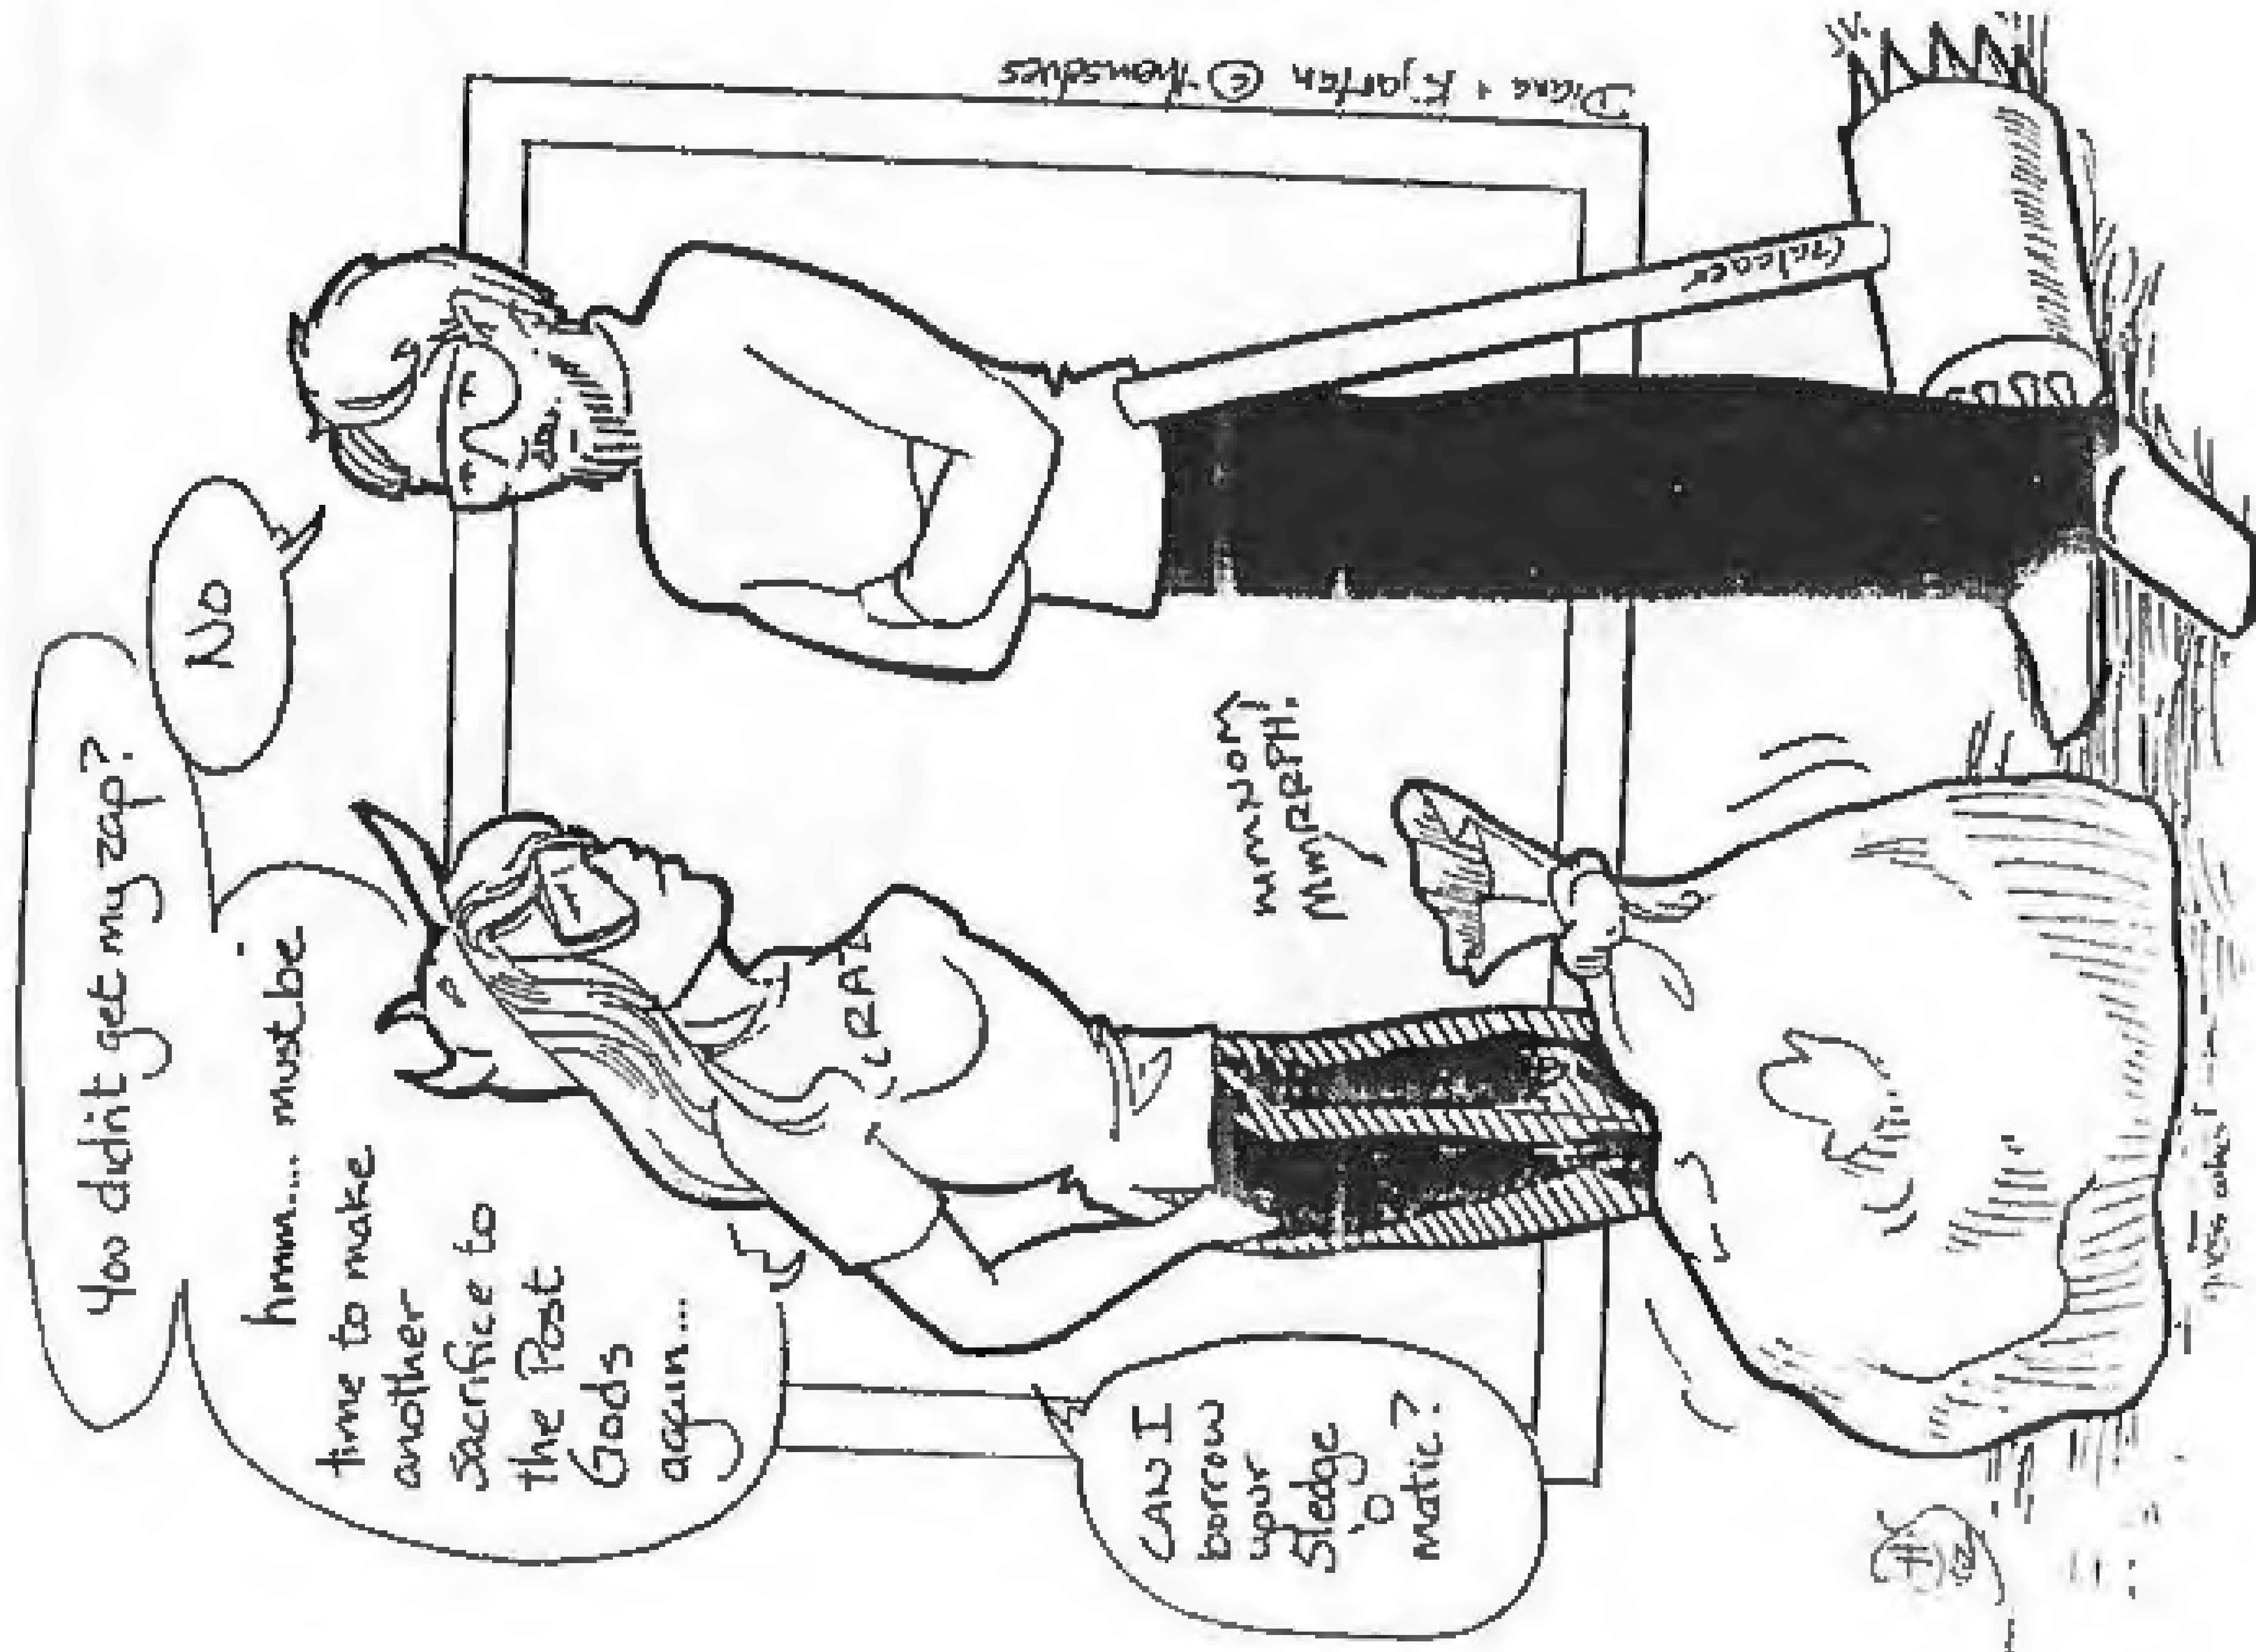

.... apparently,
I didn't get
the zap where
Mega-Squirrel
got/didn't get
kicked. I hate that!

... Besides, you never know
when I might want to
JUMP into the fray ...

WHAT WERE YOU
EXPECTING, KARNO?
HE'S MY FAMILIAR!

WHEN HE WENT "BAD," SO DID
MY SORCERY, AND ME WITH
IT. SORRY I WAS LATE, MEGA.

WHEN I HAVE
RECOVERED,
SOMEONE'S
GONNA **PAY.**

THE PSUDOMINK IS EASILY FOUND....

AWRIGHT, YOU CHEAP FAKE! WE'RE ON TO YOU! AND WHERE'S THE SQUIRREL?

DEAD. HE WAS ONLY BAIT...

... WHICH HAS WORKED. YOU'RE MINE!

WRONG. WE'RE CREATORS. YOU, HOWEVER, ARE NOW A TOAD.

WAIT! I DON'T KNOW WHY WE CAN'T AFFECT THIS MONSTER, BUT WE CAN STILL AFFECT OURSELVES! I'LL TELEPORT US OUTA HERE!

WHHEW! THAT WAS A CLOSE ONE!

EEK!
COULDN'T YOU TELEPORT OUR CLOTHES, TOO?!

SURE.

SO WHY DIDN'T YOU??

SNAP!

PING!

OH - I JUST WANTED A QUICK PEEK AT YOUR TITS.

THEY'RE VERY NICE, BY THE WAY.

I SEE WHERE SAVAGE SQUIRREL GETS HIS "CLASS" FROM...

figure brought to you by fantasies online.

WAIT! I REMEMBER FROM A comicBook - A TELEPORTER WAS FIGHTING AN INVULNERABLE MONSTER - UNTIL HE TELEPORTED AN I-BEAM INTO THE MONSTER'S HEAD!

WORTH A TRY

PING

SKUTCH!

HAH!

RRAAGHH!!

RRAHHEEE

OH, SHITE!

That monster shapeshifts too fast for even a head-shot to work! Unless we want to spend the rest of our lives running from it..

-I'm afraid it's time for the **NUCLEAR** option!

AURRR!

WHAT?!

..I'm programming this 4000-megaton atomic bomb to detonate **ONE SECOND** after I 'port it into the monster!

monster rapidly regenerating

...so when you hear the "ping", get outta here **real fast!!**

ARE YOU SURE THIS TRIP IS REALLY NECESSARY?

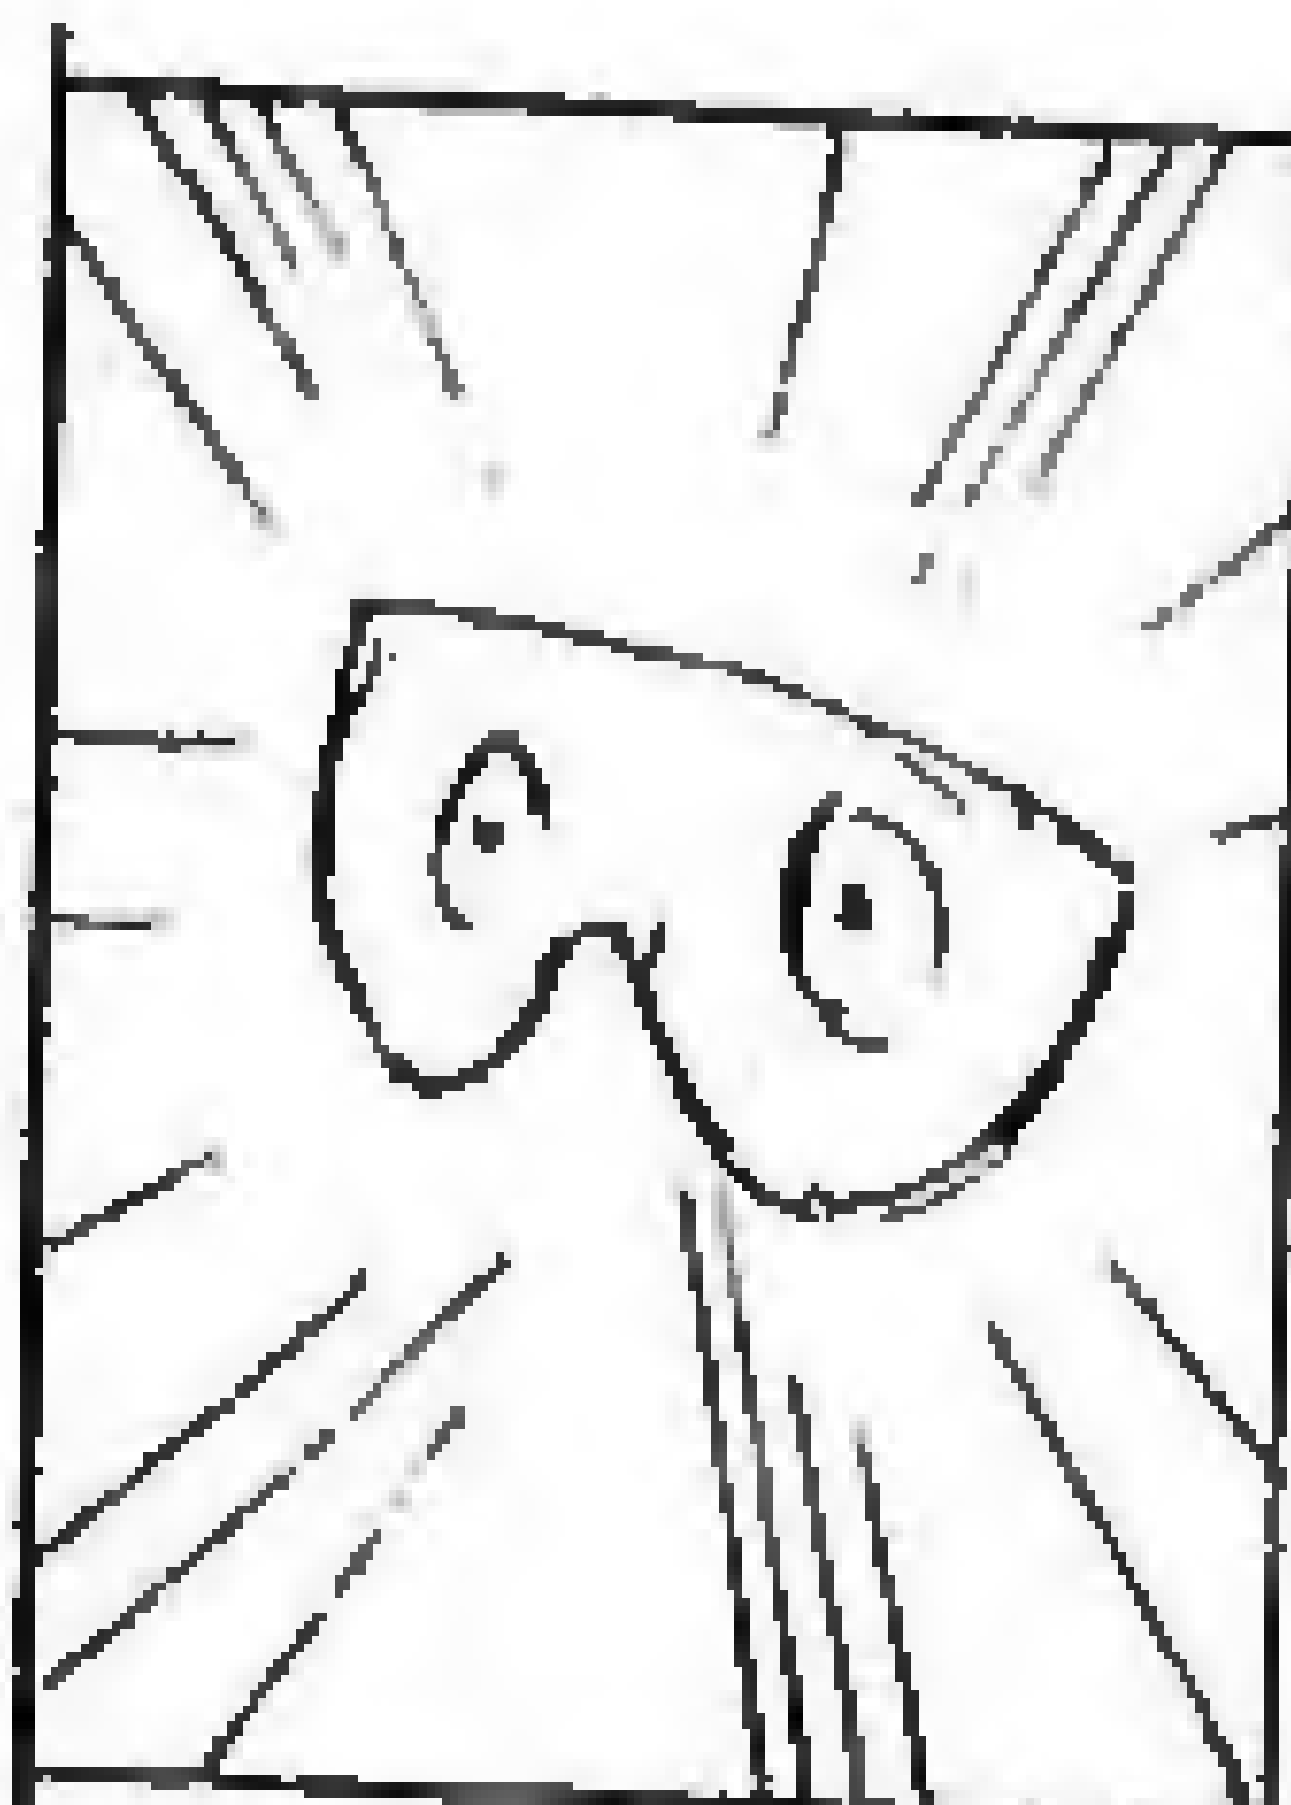

If you blow it up - well
just have a radioactive monster
after us! We gotta use
our Brains!

I thought busty
girls didn't
need brains.

I'm a brunette! We
developed 'em to
survive. Works wonders
with oposible thumbs.

Fine! But I'm gonna
use the bomb if you
don't work real fast.

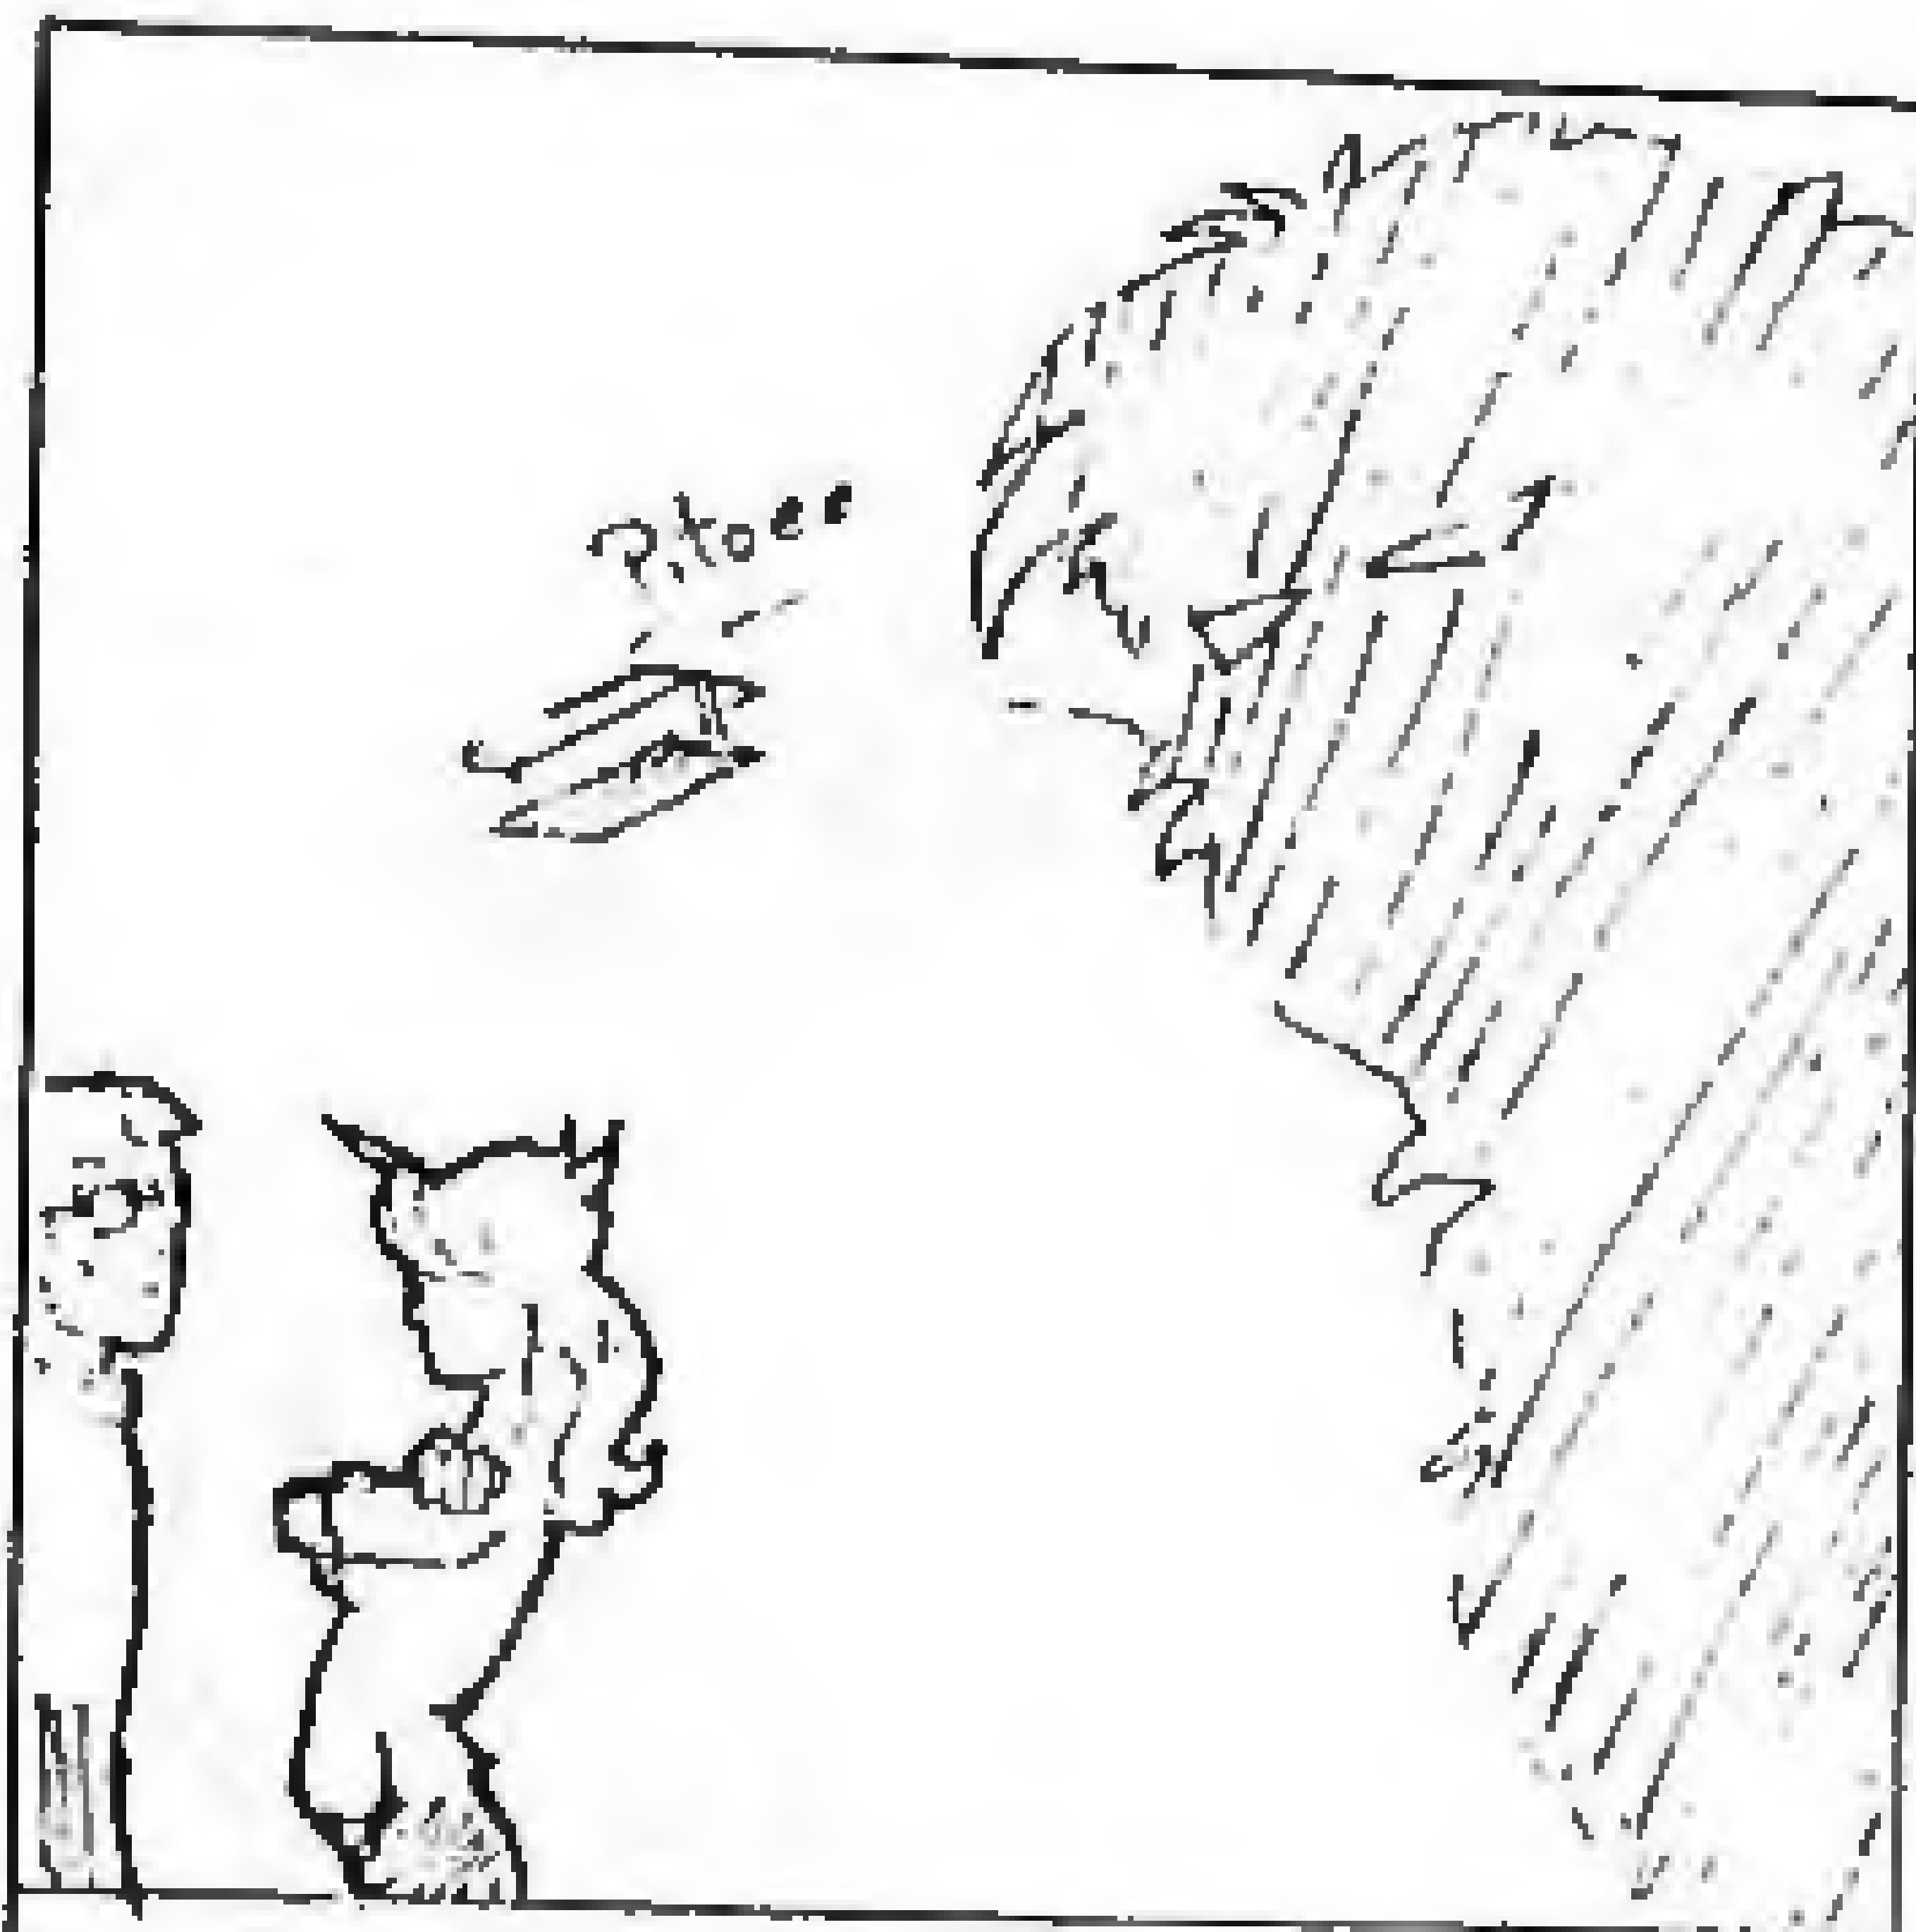

REAL!

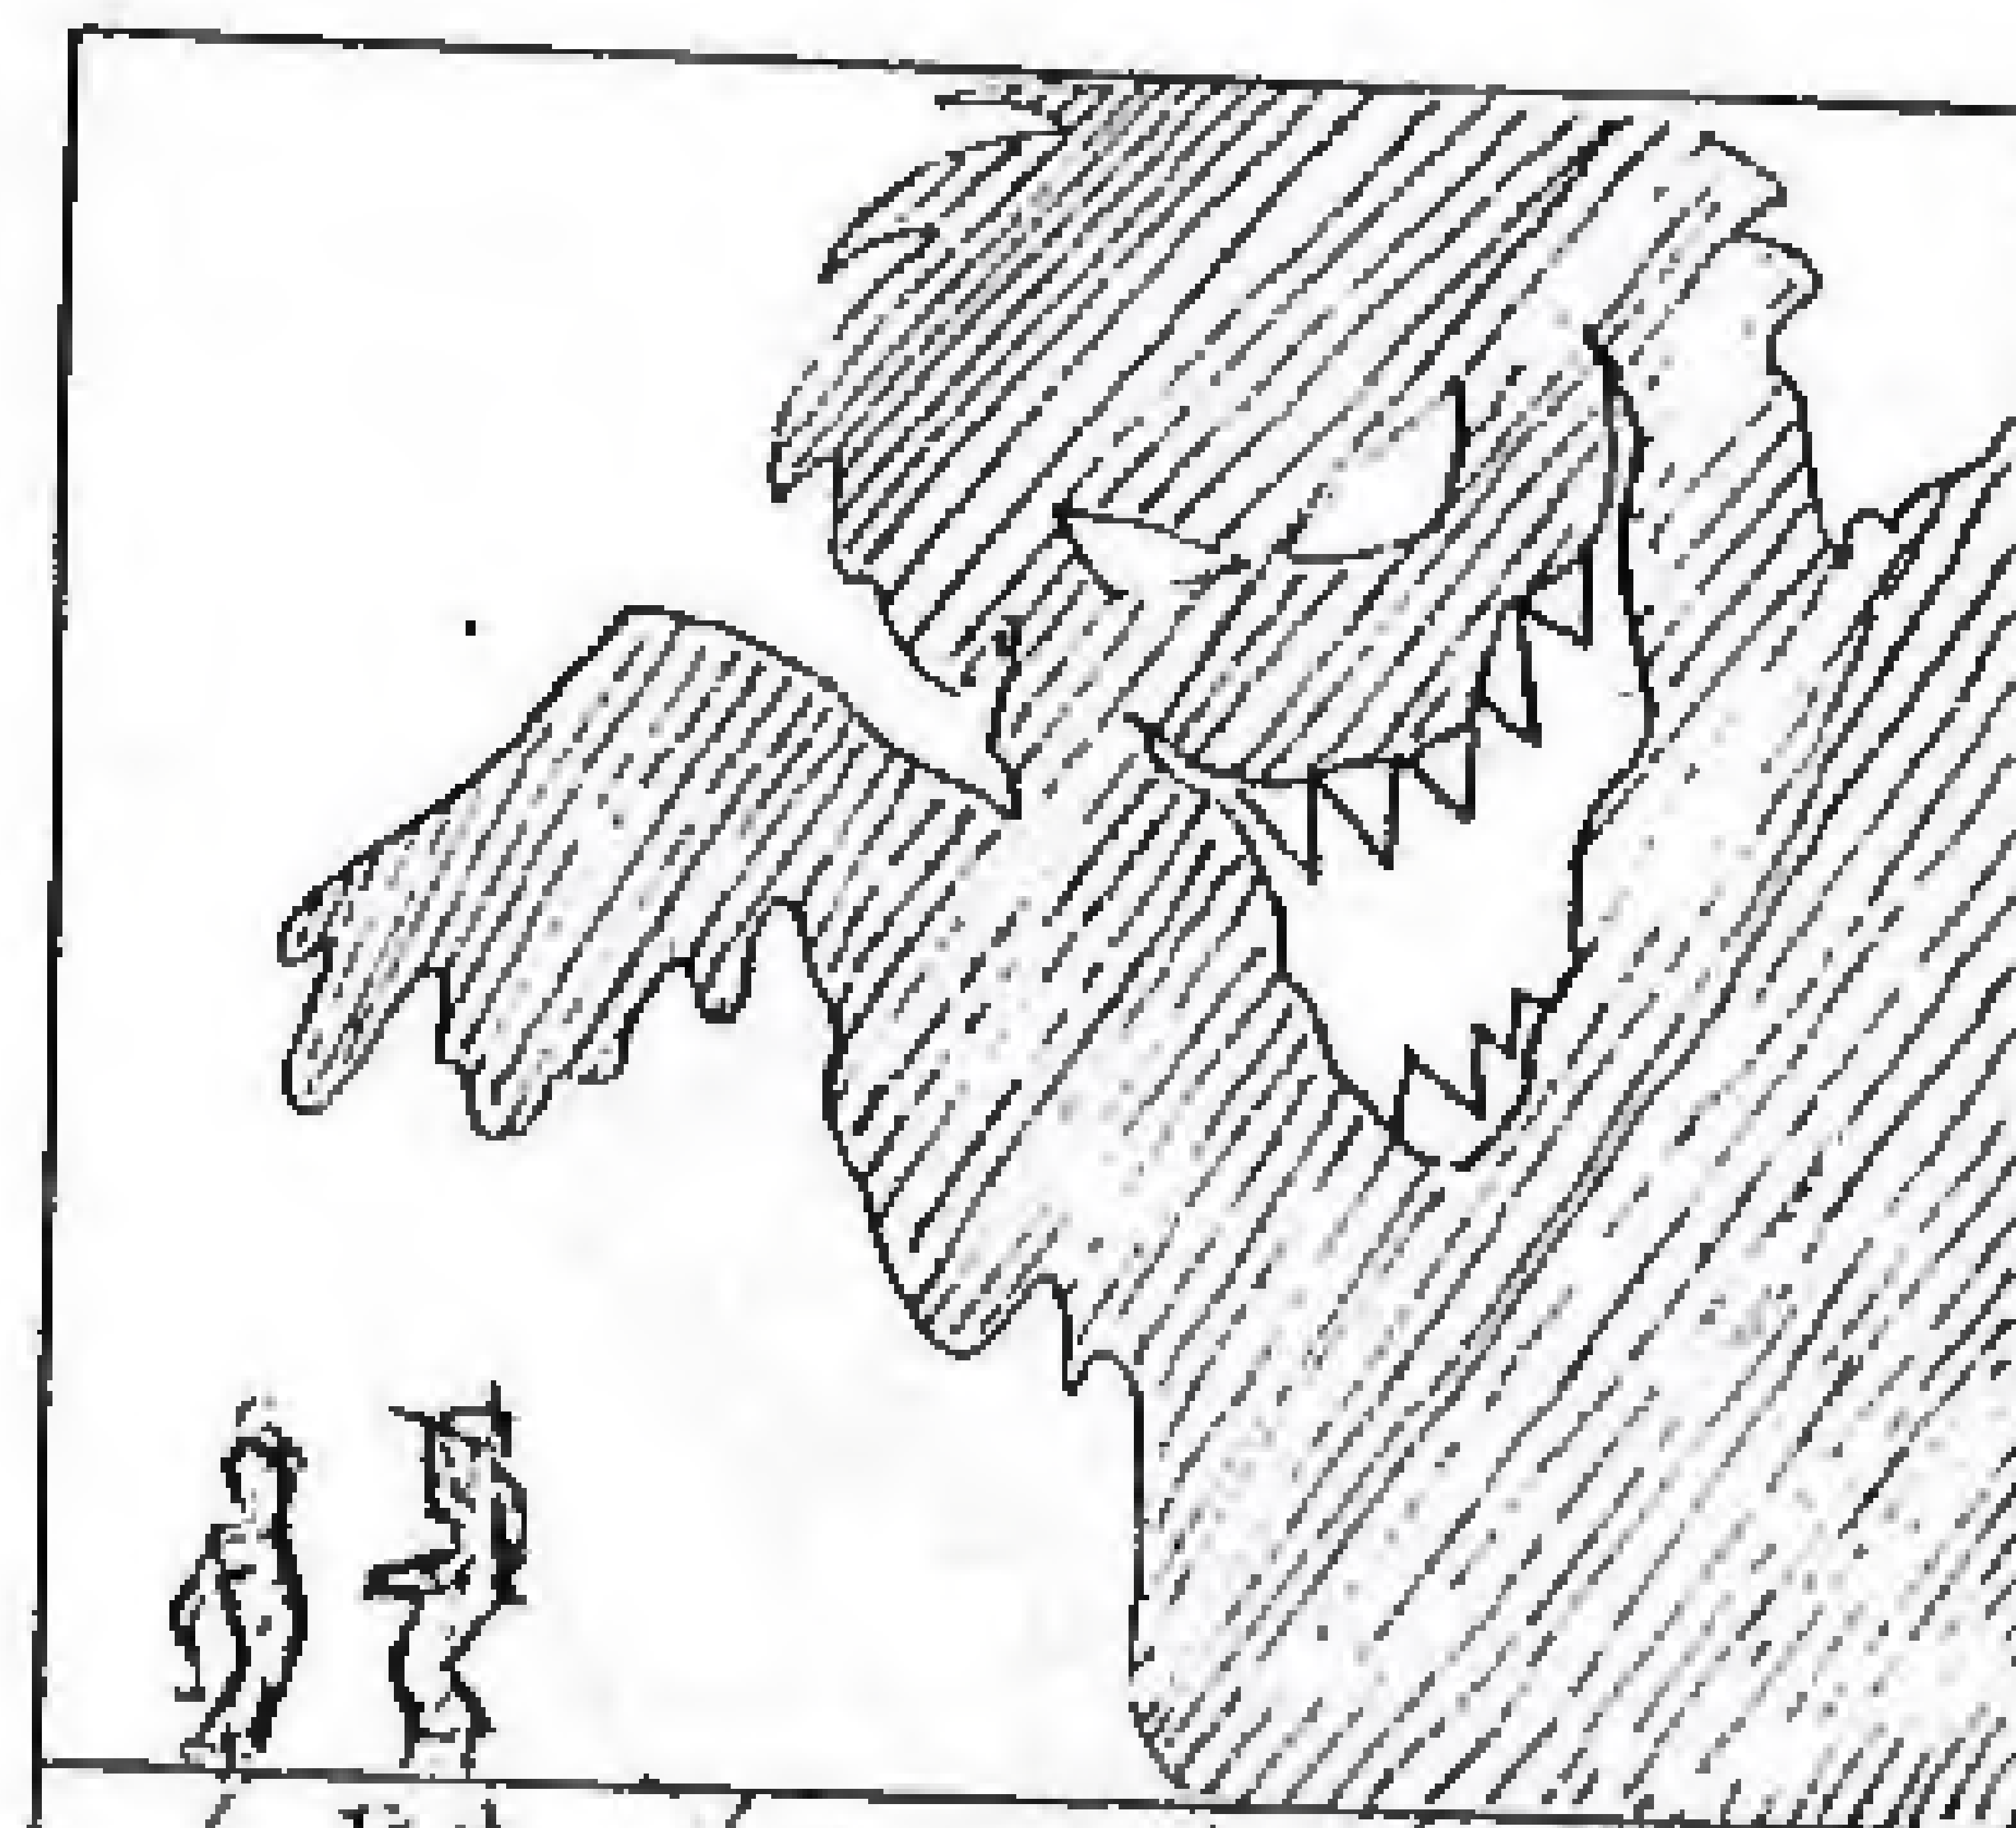

That's it! We can't effect it
because it's Reality! A
manifestation of the
REAL WORLD

makes
sense.
How do
we kill it?

we ignore it!

Is it
working?

No -
It's only
cotton
Yarn

hmm
maybe
Disco...

HEY! If that thing is a manifestation of reality - just like we are the cartoon versions of our real selves - then no cartoon violence will make it go away! We need **real** bullets!

BLAM!

IT'S DEAD!

WHAT THE HECK WAS THAT?
A CANNON?

NOPE!

That was the real-life version of this .22-caliber revolver. If it can kill things in the real world, it sure as heck can kill a mere cartoon manifestation of reality!

... So... when Fantasy meets reality, reality punches big, ragged holes through Fantasy?

What's **YOUR** experience been?

THE END?

Ignoring reality doesn't make reality go away. At least that's never worked for me.

NOW THEY'RE EVEN
SHOOTING AT INNOCENT
LITTLE COMICBOOKS!

IS NOTHING
SACRED?!
